SUBJECT: Current History Staff holdings for CSHP-2.291, History of FI Intelligence Group (Oct 45 - Aug 68). Chapters I & II by [ ] Chapter III by [ ] and Chapter IV by [ ]

1. When this history was proposed, there were ten chapters planned; however the History Staff has only four, that are about 3" in size. No indication is apparent that the seven other chapters were ever worked on.

2. These four volumes go on and on about the trials and tribulations that cover the establishment, mission, functions, membership, USIB control and direction of the Intelligence Group plus a multitude of other topics. Pages for this history have been punched for a spiral binding, and appear to have been in the final stages of being produced. The Chapters cover the following:

Chap. I - The Trunk Line/Office of Chief, (to 1953) 123 pps.

This needs classifying and paginating, each section has been footnoted and source referenced.

25X1  
Chap. II - [ ] Branch (to 1954) 36 pps.

This needs classifying and paginating, each section has been footnoted and source referenced.

25X1  
Chap. III - [ ] Branch (to 1967) 83 pps.

Each section has been footnoted and source referenced

Chap. IV - Interagency Priorities Committee (IPC) (to 1968) 25 pps.

This needs classifying and paginating, each section has been footnoted and source referenced. There are 1st, 2nd, and 3rd drafts of this.
